Customer Support FAQ

1. How can I track my order?

After your order ships, you will receive an email with a tracking link. Tracking information may take up to 24 hours to appear.

2. How long does shipping take?

Standard shipping usually takes 3–7 business days after dispatch. Express shipping, when available, usually takes 1–3 business days.

3. What is the return policy?

Unused items in their original condition may be returned within 30 days of delivery. Some products may be excluded.

4. How do I get a refund?

Submit a return request with your order number. Once the returned item is inspected and approved, refunds typically take 5–10 business days to process. Bank processing may take longer.

5. What if my item arrives damaged?

Contact customer support with your order number, a description of the damage, and photos of the item and packaging.

6. Can I cancel an order?

Contact customer support as soon as possible. Cancellation may not be possible once an order has been processed or shipped.

7. What if my package is marked delivered but is missing?

Check your delivery location and confirm the shipping address. If the package remains missing, contact support with your order number.
